

BOPP (Biaxially Oriented Polypropylene)

Toll Free: 800.785.0201
www.SunCoastPkg.com

BENEFITS

- Full color process printing available
- Inventory available for immediate shipment
- Superior performance and durability
- Ideal brand recognition
- Weather resistant

Strong and durable, BOPP bags are a cost effective solution that allows for superior quality branding through high quality graphics.

OPTIONAL FEATURES

- EZ open tear strings—allows for the end user to easily open the bag
- Pin perforations—allows the product to breathe
- UV protection—added to the bags to protect against sun damage
- Gusseted sides—a side fold on the bag allowing it to open up widthwise
- Anti-skid—allows bags stack easier on a pallet
- Handles—plastic handles can be added to make bags easy to carry
- Hot-air PBOM—eliminates sewing process. Provides a hermetically sealed bag
- Food grade—GFSI certifications

ANIMAL FEED - BIRD SEED - PET FOOD - LAWN CARE - RICE - BEANS - GRAINS
